Transportation
Safety Approval**

Safety Approval Number: SA-14-007

**Waypoint 2
Space, Inc.**

is issued a safety approval, subject to the provisions of 51 USC Subtitle V, chapter 509, and the orders, rules, and regulations issued under it

This safety approval is issued to Waypoint 2 Space for its ability to provide a training service for crew and space flight participants. The training service includes a Spaceflight Participant Training Program, a Commercial Payload Specialist Training Program, and a Spaceflight Instructor Training Program.

This Safety Approval is granted subject to the terms, conditions, and limitations set forth in safety approval order A, and any subsequent orders issued by the Office of Commercial Space Transportation.

The holder of this safety approval must at all times comply with the regulations prescribed by the Office of Commercial Space Transportation for the activities authorized by this safety approval.

Safety Approval Order No. SA 14-007A

OFFICE OF
COMMERCIAL SPACE TRANSPORTATION
SAFETY APPROVAL ORDER REGARDING

Commercial Space Training Service

SAFETY APPROVAL NO. SA 14-007

ISSUED TO
WAYPOINT 2 SPACE, Inc.

-
1. Authority: This Order is issued to Waypoint 2 Space, Inc. (W2S) under 51 U.S.C. Subtitle V, chapter 509.
 2. Purpose: This Order modifies Safety Approval No. SA 14-007 issued concurrently by the Federal Aviation Administration's (FAA) Office of Commercial Space Transportation (AST). This Order prescribes as conditions to the Safety Approval certain requirements applicable to the approved safety element.
 3. Scope: The safety element is a training service for crew and space flight participants. The training service includes a Spaceflight Participant Training Program, a Commercial Payload Specialist Training Program, and a Spaceflight Instructor Training Program. It includes classroom and simulator training and flight training in type certificated (non-experimental) aircraft.
 4. Crew and Space Flight Participant Training: W2S may offer its space flight training as a service to a prospective launch or reentry operator to meet the applicable requirements of 14 CFR § 460.5 (a), (b) and 14 CFR § 460.51.
 5. Safety Approval Term: Safety Approval No. SA-14-007 expires in 5 years from the effective date of the Safety Approval.
